MOUNTAINVIEW CLINIC
BOARD OF DIRECTORS
LIAISON COMMITTEE

HAND DELIVERED TO THE MOUNTAINVIEW CLINIC STAFF

RE: MEAGHER COUNTY HOSPITAL DISTRICT STUDY – ISSUE 13

MR. OHLSON:

Thank you for your letter of April 14, 2011 regarding our request to meet with Mr. Rogers and Mr. Pfaff as we attempt to answer the question, in essence: *What is it that Cypress and Mr. Rogers do?* As I mentioned in my letter of April 12, 2011:

To put it bluntly, members of our public have raised the question of why it looks like the Clinic is now paying two people, i.e., Mr. Pfaff and Mr. Rogers, to do the job for which we used to pay one person

Since you continue to prohibit me from meeting with the gentlemen regarding this issue, I respectfully request the answers to the below questions:

- Is there a contract between Aaron Rogers and Mountainview Medical Center, Inc., or any other body associated with Mountainview Medical Center, Inc.?
- If so, please provide a copy of that contract or specify the basis for your refusal to do so.
- If there is no contract, is there any written information regarding the scope of Mr. Rogers' duties and responsibilities?

- If so, please provide that information or specify the basis for your refusal to do so.
- If there is no written information regarding Mr. Roger's duties and responsibilities:
 - what would say his duties and responsibilities are;
 - on what are you basing the above answer;
 - how do you evaluate his performance of those duties and responsibilities; and
 - are those evaluations of Mr. Roger's duties and responsibilities in writing?
- If those evaluations are in writing, please provide copies of those written evaluations or specify the basis for your refusal to do so.

As always, we look forward to working with you as we complete our study responsibilities.

Sincerely,

Michael S. Kakuk
